Membership: 1371 Annual Members, 452 Life Members = Total 1,852

2020 We started the year with such optimism which was soon to be dashed as the Covid 19 coronavirus overwhelmed the country which was plunged into total lockdown from March. Although we were allowed to play golf from May, clubhouses were still closed & groups permitted to play together was limited. Social distancing & the wearing of masks became the

order of the day. The YVLGA committee took the difficult decision to cancel all competitions before June &, as time went on, it was clear that we would not be able to hold any events in 2020, such were the restrictions. It was decided that subscriptions would be rolled over to 2021. England Golf & the YLPGA were also slashing their calendars, the NCVLGA cancelled the Richardson Trophy & the Jamboree was also cancelled. Committee meetings continued to held online as we faced preparations for the World Handicap System which was due to be introduced in November this year. This will mean that our individual competitions (Spring, Championship & Autumn meetings) will be qualifying for handicap purposes. This has necessitated purchase of new software (Club V1) so that we can return scores for handicap adjustments. It is anticipated that handicap indices will be higher than existing handicaps at the outset so the committee decided to increase limits for competition entry to ensure the majority of members would still be eligible. This may need revision in the future. Restrictions were still in place in October so the AGM was cancelled & reports from officials emailed to members. The committee of past captains asked the Captain to repeat her year & the membership was asked to approve the extension of the terms of office by one year for the all other committee members who wished to continue. The committee has also sought approval from the membership to investigate the benefits of incorporation.

One item of good news! Karen Jobling (Richmond GC) won the Brenda King Foursomes at Michinhampton GC with her partner Helen Lowe from Leicestershire.
