

## **YVLGA Guidelines for the Spring meeting at Kirkbymoorside 19<sup>th</sup> April 2021**

We are delighted to be kicking off the 2021 YVLGA season with the Spring Meeting at Kirkbymoorside Golf Club on 19<sup>th</sup> April.

We have visited the Club to check the position with regards to facilities & can confirm that the Club is looking forward to welcoming us.

Please note the following:

- Please arrive ready to play as locker rooms will NOT be open.
- Please make your way to the entrance near the first tee where the registration desk will be sited. Please wear your mask when you register, unless you are exempt. Toilets are also available on this level.
- Refreshments will be available on the day & will be served under the existing national guidelines. Please ensure you respect all personnel at the Club & other players in maintaining your distance.
- There will not be a formal raffle until Covid restrictions are lifted but there will be a collection box for the Kirkbymoorside Lady Captain's Charity, the Air Ambulance, for anyone who wishes to make a donation. As is customary, the YVLGA will be making a £50 donation to acknowledge the Club's hospitality.
- The cards will have been prepared in advance & will be available for you to collect. Please mark your own card using the main column & use the left hand column for the player you are marking for. Sign your card at the end of the round but DO NOT swap cards. Please return to the registration desk where your scores will be entered directly into the competition software as you read them out. Signatures will be verified before cards are placed in a box.
- This will be the first qualifying competition under WHS for most of us & we would remind competitors that they should regard their course handicap as the important figure when deciding to pick up the ball. Playing handicap will decide the prizewinners but the course handicap will decide your handicap! Scores should be updated overnight so any changes to handicap indexes should be advised by the following day.

Finally, please do enjoy the day & if you have any questions regarding the above, do not hesitate to contact me.
