### **President's Report**

Dear Members,

Due to the current situation regarding the Covid-19 pandemic, your Committee has decided that, in the interests of the health and safety of our members, we will not be holding our AGM in person this year.

As we have not held competitions or Team matches during 2020, there is little to report on and no need for a Trophy Presentation. Any reports from Officers can be circulated via E-mail and/or our web site.

The Past Captains have already asked our 2020 Captain, Karen Leake to repeat her year of office in 2021 and she has agreed to do this. Subsequent vice captains will move forward one year.

As the position of Captain and officers is always confirmed by a vote of members at the AGM, we would like to ask for a vote on the following proposal:

**THAT THE PERIOD OF OFFICE FOR THE CAPTAIN, OFFICERS AND COMMITTEE MEMBERS OF 2020 BE EXTENDED BY ONE YEAR TO THE AGM IN 2021.**

The 2 year tenure of the President will remain as normal.

We also seek your permission to investigate the possibility of incorporation of the YVLGA. Findings will be presented at the next AGM and no action will be taken until members have been informed and voted accordingly.

Voting slips will be sent to all Club Reps for distribution among their members.

In these exceptional circumstances, we feel that this will be acceptable within our Constitution Rules. For the safety of all our members, we hope that this procedure can be followed for this year only - no precedence to be set.

Rosamond Lumb

President YVLGA
